Apartment	13	1,243	2,274	3,504
Land	1	272	272	272

Note: off-plan resale inventory on the portal is a small, tightly regulated segment — this live sample reflects that. For the premium/discount study, pair each unit's asking price with its original SPA price (from the developer/SPA) and construction stage. Raw data: PropertyFinder_OffPlan_Resale_source.json. Regulatory and cost factors are in OffPlan_Resale_Factors_Reference.pdf.
